

# Marvellous Picture Books for the Season

Millie Fleur's Poison Garden by Christy Mandin ~ What to do when you don't fit in. I listened to the audiobook, which had wonderfully creepy sound effects.

Griselda Snook's Spectacular Books, read by the author, Barry Timms (illustrator, Laura Borio) ~ Henry thinks it's impossible to find a book that's meant just for him

The Ofrenda That We Built, by Jolene Gutiérrez & Shaian Gutiérrez, illustrated by Gabby Zapata ~ a cumulative story for Día de los Muertos
